

A DECLARATION OF RELIGIOUS EXEMPTION FROM THE mRNA BIO-WEAPONS, REFERRED TO AS 'VACCINES'...

I _____ claim religious exemption from any and all covid vaccine shots. Because as Christians, our bodies are the dwelling place of the Holy Spirit. we are to take very seriously that our bodies belong to God, and that we are accountable to our creator for the way that we care for, maintain, and protect these bodies from any and all outside sources. The mRNA serum, that is not actually a vaccine according to definition, is known to have caused the deaths of thousands of people world wide. Therefore, we are forbidden, according to our Christian religion, to receive, in any shape, form, or way, the mRNA serum, J&J, Moderna, or any of the other dangerous vaccines. (1 Cor. 6:19-20, "What I know ye not that your body is the temple of the Holy Ghost, which ye have of God, and ye are not your own? For ye are bought with a price, therefore glorify God in your body, and in your spirit, which are God's".; Romans 12:1-2, "I beseech you therefore brethren by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye may prove what is the good, and acceptable, and perfect will of God."

Because we are made in the image of God, we refuse to deny his image by covering the faces that God gave to us (Gen 1:27). Our faces are the means by which we identify each other, and display our emotions with smiles or frowns. We are well associated with mask wearing, and are aware of the many health risks, such as myocarditis, increase in carbom dioxide inhalation, mouth infections, skin infections, loss of consciences, brain damage, heart irregularities, muscle weakness, chest pains, breathing difficulties, and memory loss, etc. I can NOT in good conscience receive the bio-weapon 'vaccines' into my body, and for conscience sake, absolutely refuse to allow myself to be injected with these vaccines. Mask wearing is also unhealthy.

We believe in curing these diseases by the use of herbs, minerals, vitamins, and other natural means, that have shown a remarkably better success rate than AMA trained doctors, under the control of 'BIG PHARMA' have accomplished. We are also well aware of Bill Gates, Fauci, and their Global Depopulation Through Vaccines Agenda. Their man-made 'plandemic' has been the cause of the greatest genocide of an unsuspecting American public in this nation's history, and has devastated other nations, also. I therefore claim religious exemption from being given covid drugs of any kind.
