RE: Brunson v. Alma S. Adams et al No: 22-380

Dear Justices:

This letter is being sent to you to express our support of the above referenced case. We, too, are greatly concerned that the United States has been forced to experience a national security breach in violation of every citizen's greatest God given right in a Republic: Our privilege to vote and have our voices heard.

Therefore, we respectfully ask that you accept the Amicus Curiae, submitted by the Community Support Foundation, as the voice of "We the People" in this matter and that you take a stand against the adherence of foreign and domestic enemies, and uphold the Supreme Law of the Land.

We are pleading for you to protect and defend the Constitution, from enemies foreign and domestic. We also pray for your protection and trust that you will each uphold and honor your oaths of office as you weigh these weighty matters. Thank you for allowing us to be heard, and we look forward to your just and rightful decision on this matter.

Sincerely,
